

**Task Force on Design and Analysis in Oral Health Research**  
**Newark Marriott Airport Hotel, Newark NJ**

***Reception, Dinner and Board Meeting – May 5, 2014***

***6:00 – 7:00 PM: Reception***

***7:00– 9:00 PM: Dinner***

***Scientific Session – May 6, 2014***

**Meeting Themes:**

- **Innovative Biostatistical Methods in Oral Health Research**
- **Dental Implants**

**7:30 - 8:30 AM - Continental Breakfast**

**8:30 - 9:30**        **"Spatiotemporal Methods to Assess and Predict Changes in an Individual's Oral Health"**  
**Brian Reich, North Carolina State University**

**9:30 - 10:30**        **"A Marginal Proportional Hazards Cure-rate Model for Spatial Survival Data"**  
**Dipankar Bandyopadhyay, University of Minnesota**

**10:30 - 11:00**        ***Refreshment Break***

**11:00- 12:00**        **"Oral Implant Studies – Lessons Learned"**  
**Clark Stanford, University of Iowa**

**12:00 - 1:00 PM**    ***Buffet Luncheon***

**1:00 - 1:15**        ***Business Meeting***

**1:15 - 2:15**        **"Implant Surfaces - Does it Matter?"**  
**Klaus Gotfredsen, University of Copenhagen**

***2:30 - Adjourn***
